

25X1A

INDEX I

A hand-drawn floor plan of a building, oriented vertically. The plan includes several rooms and areas, each labeled with a number or letter. The layout is as follows:

- Top Section:** A large rectangular area labeled **17** is at the top. To its left is a smaller rectangular area labeled **AA**. Below **AA** is a small rectangular area labeled **18**.
- Middle Section:** A large rectangular area labeled **16** is in the center. To its right is a small rectangular area labeled **15**. Below **16** is a small rectangular area labeled **12**. To the right of **12** is a small rectangular area labeled **13**.
- Bottom Section:** A large rectangular area labeled **8** is at the bottom. To its right is a small rectangular area labeled **9**. Below **8** is a small rectangular area labeled **10**. To the right of **10** is a small rectangular area labeled **11**. Below **11** is a small rectangular area labeled **14**. To the right of **14** is a small rectangular area labeled **15**. Below **15** is a small rectangular area labeled **16**. To the right of **16** is a small rectangular area labeled **17**. Below **17** is a small rectangular area labeled **18**. To the right of **18** is a small rectangular area labeled **19**. Below **19** is a small rectangular area labeled **20**. To the right of **20** is a small rectangular area labeled **21**. Below **21** is a small rectangular area labeled **22**. To the right of **22** is a small rectangular area labeled **23**. Below **23** is a small rectangular area labeled **24**. To the right of **24** is a small rectangular area labeled **25**. Below **25** is a small rectangular area labeled **26**. To the right of **26** is a small rectangular area labeled **27**. Below **27** is a small rectangular area labeled **28**. To the right of **28** is a small rectangular area labeled **29**. Below **29** is a small rectangular area labeled **30**. To the right of **30** is a small rectangular area labeled **31**. Below **31** is a small rectangular area labeled **32**. To the right of **32** is a small rectangular area labeled **33**. Below **33** is a small rectangular area labeled **34**. To the right of **34** is a small rectangular area labeled **35**. Below **35** is a small rectangular area labeled **36**. To the right of **36** is a small rectangular area labeled **37**. Below **37** is a small rectangular area labeled **38**. To the right of **38** is a small rectangular area labeled **39**. Below **39** is a small rectangular area labeled **40**. To the right of **40** is a small rectangular area labeled **41**. Below **41** is a small rectangular area labeled **42**. To the right of **42** is a small rectangular area labeled **43**. Below **43** is a small rectangular area labeled **44**. To the right of **44** is a small rectangular area labeled **45**. Below **45** is a small rectangular area labeled **46**. To the right of **46** is a small rectangular area labeled **47**. Below **47** is a small rectangular area labeled **48**. To the right of **48** is a small rectangular area labeled **49**. Below **49** is a small rectangular area labeled **50**. To the right of **50** is a small rectangular area labeled **51**. Below **51** is a small rectangular area labeled **52**. To the right of **52** is a small rectangular area labeled **53**. Below **53** is a small rectangular area labeled **54**. To the right of **54** is a small rectangular area labeled **55**. Below **55** is a small rectangular area labeled **56**. To the right of **56** is a small rectangular area labeled **57**. Below **57** is a small rectangular area labeled **58**. To the right of **58** is a small rectangular area labeled **59**. Below **59** is a small rectangular area labeled **60**. To the right of **60** is a small rectangular area labeled **61**. Below **61** is a small rectangular area labeled **62**. To the right of **62** is a small rectangular area labeled **63**. Below **63** is a small rectangular area labeled **64**. To the right of **64** is a small rectangular area labeled **65**. Below **65** is a small rectangular area labeled **66**. To the right of **66** is a small rectangular area labeled **67**. Below **67** is a small rectangular area labeled **68**. To the right of **68** is a small rectangular area labeled **69**. Below **69** is a small rectangular area labeled **70**. To the right of **70** is a small rectangular area labeled **71**. Below **71** is a small rectangular area labeled **72**. To the right of **72** is a small rectangular area labeled **73**. Below **73** is a small rectangular area labeled **74**. To the right of **74** is a small rectangular area labeled **75**. Below **75** is a small rectangular area labeled **76**. To the right of **76** is a small rectangular area labeled **77**. Below **77** is a small rectangular area labeled **78**. To the right of **78** is a small rectangular area labeled **79**. Below **79** is a small rectangular area labeled **80**. To the right of **80** is a small rectangular area labeled **81**. Below **81** is a small rectangular area labeled **82**. To the right of **82** is a small rectangular area labeled **83**. Below **83** is a small rectangular area labeled **84**. To the right of **84** is a small rectangular area labeled **85**. Below **85** is a small rectangular area labeled **86**. To the right of **86** is a small rectangular area labeled **87**. Below **87** is a small rectangular area labeled **88**. To the right of **88** is a small rectangular area labeled **89**. Below **89** is a small rectangular area labeled **90**. To the right of **90** is a small rectangular area labeled **91**. Below **91** is a small rectangular area labeled **92**. To the right of **92** is a small rectangular area labeled **93**. Below **93** is a small rectangular area labeled **94**. To the right of **94** is a small rectangular area labeled **95**. Below **95** is a small rectangular area labeled **96**. To the right of **96** is a small rectangular area labeled **97**. Below **97** is a small rectangular area labeled **98**. To the right of **98** is a small rectangular area labeled **99**. Below **99** is a small rectangular area labeled **100**.

Figure 10 Layout sketch of the New Mechanical Plant in Moscow

1. Four Gates.
2. Brick administration building, 3 stories, 100 x 10 x 10 meters, completed in May 1949.
3. Workshop No 1, 120 x 80 x 12 meters. The roof, which had skylights, consisted of a steel framework covered with concrete slabs. The workshop was subdivided into a large middle section and two side sections partitioned into bays.
 - a. Electrical repair shop for starters and generators.
 - b. Empty rooms.
 - c. Forge with an oil-burning annealing furnace and four forge fires; welding shop equipped for electric and gas welding. These shops repaired axles and springs and manufactured body parts.
 - d. Store room for tools and motor vehicle spare parts.
 - e. Machine shop with metal working machines. This shop produced cog wheels, bolts, nuts, and small spare parts.
 - f. Two motor test stands; motors were assembled here.
 - g. Fire station, empty.
 - h. Central section, where concrete foundations for machine tools were manufactured. The workshop was scheduled to have an asphalt floor and a large conveyor belt.
4. Carpentry shop, wood and clay structure, 30 x 8 x 4 meters.
5. Saw frame under a lean-to roof.
6. Two wooden buildings with kitchen and mess halls.
7. Wooden building, 10 x 6 x 4 meters, housing the administration of the camp.
8. [redacted] dissolved in May 1949 and occupied by soldiers of a Soviet construction battalion.
9. Workshop allegedly scheduled for construction on the site of the former camp.
10. Stables for eight horses.
11. Staked-out area for a new workshop.
12. Boiler house, 25 x 15 x 8 meters.
13. Transformer station, in operation since October 1947.
14. New brick building, 12 x 6 x 6 meters, whose use is unknown.
15. Storehouse, whose framework was completed in March 1949. Its wings measured 20 x 8 x 8 meters and 12 x 8 x 8 meters respectively. The building had a wooden roof covered with roofing paper.
16. Dump for raw steel and section iron.
17. Staked-out site for a new workshop.
18. Planned spur track to the agricultural machine factory.
